

EXPERIENCE THE MAGIC OF SIGNING SMART

## Signing Smart Parent Workshops Angela Fieseler

### Meet the Instructor

Hello! My name is Angela, and I am a Certified Signing Smart Instructor. My professional background is in Corporate/Customer Training and Project Management. Most importantly, I am a wife and a Mommy to three wonderful children. I can speak personally about the wonderful benefits of the *Signing Smart* program because I experienced it with my youngest child. It absolutely changed our lives and I love to share the *Signing Smart* methods with anyone who will listen!

### Programs Offered

I teach 2-hour Parent Workshops, which are a **great** introduction for getting started. Extended family and/or Caregivers are welcome too. While most of my "public" Workshops are conducted within the Denver metro area, I am willing to travel to you. Please ask me about hosting a private Workshop for your Moms' group or friends/family!
