Meet the Instructor

Chamisa Logemann has recently joined the *Signing Smart* team. She has participated in *Signing Smart* classes with her daughter and has observed many classes with an experienced instructor. Chamisa has over 10 years of experience working with children. She is a former elementary school teacher whose greatest joy is helping kids learn something new. She has previously taught in Broomfield, Colorado and San Jose, California. She also has experience working with preschoolers and toddlers at Head Start in Denver. Currently, Chamisa is a stay at home mom with her 20 month old daughter, Kierra. She is excited to be a *Signing Smart* instructor and share this wonderful program with you and your family!

Chamisa's thoughts on the *Signing Smart* classes; "When I first enrolled Kierra in the *Signing Smart* class I was hoping she would learn a few signs and have fun. The program completely exceeded my expectations! Within a month, Kierra had 15-20 signs and after completing the play class series she had over 50 signs! We were able to communicate with her and know what she wanted or was thinking, even though she was not verbally speaking yet. As a verbal 20 month old Kierra still uses her signs on a daily basis to tell us things she can't say yet or to clarify when we don't understand. Having the ability to do this is priceless! *Signing Smart* was an amazing experience and a great way to interact with my daughter. I highly recommend the *Signing Smart* classes and was inspired by them to become an instructor myself."
